

**High School Science Teachers and  
other Keeners, you are invited:**

# **Sustainable Forests Workshop**

**July 2<sup>nd</sup> – 4<sup>th</sup>, 2014 Ness Creek**

Rekindle your energy and learn from top experts about forest ecology and sustainable forest management. We'll also cover mushrooms, wildlife, climate change, and forest fire. This workshop will prepare you for the new high school science curricula's environmental sciences unit.

**Registration deadline: June 24<sup>th</sup> 2014**

**Total Cost: \$50 non-refundable**

Complete attached form and email to: [bslager@whitebirch.ca](mailto:bslager@whitebirch.ca)

Register now as space is limited to 18. For more info, call Bernadette Slager, Saskatchewan Forestry Association (306)763-2189 or Susan Carr, Prince Albert Model Forest (306)953-8921.

**We provide accommodations at Ness Creek site, all meals catered, secured parking in Prince Albert and bus transportation to and from Prince Albert.**

Planned day outings from our Ness Creek cabins will include:

- Aboriginal use of forests and culture, plant identification
- Carrier Lumber Big River Mill
- Harvest, burn and blow down sites, active logging forest regeneration
- Silviculture treatments, riparian area, seed orchard
